ABOUT CENTER FOR LEADERSHIP

The Center for Leadership promotes the development of good leadership for Poland and connects outstanding Poles who will shape the future of Poland and the world. We do this by creating positive values, unlocking the hidden potential of people and organizations, inspiring them to actively participate in public affairs and undertake new initiatives, which make a positive difference in the world. The Center for Leadership finances scholarships and fosters new standards in education and science in Poland, striving to establish a world-class university in Poland. We are open to cooperation with all those who wish to contribute to making Poland a good country.
