WAR IN UKRAINE | LIST OF ORGANIZATIONS

In response to numerous inquiries, members of the Center for Leadership (LAP) Alumni Network prepared a list of organizations tackling the **immediate and long-term challenges** resulting from the war in Ukraine. The list was created for the convenience of every person, business and institution willing to get financially involved, to channel your support to **verified, most impactful organizations and initiatives**.

To help you navigate this document, we divided it into:

1. [Direct support to organizations providing immediate response](#)
2. [Dedicated fund to face long-term challenges, too big to be tackled by a single organization](#)

Feel free to distribute this list widely through your personal and professional networks.
